CROSSROADS THEATRE CIC

Queer Social

10TH OCTOBER 2026

Our Queer Social event was a brillaint way to meet new people, learn more about what Crossroads Theatre CIC offer and play some games! Held at Crossbar in Brighton, we allowed individuals to meet and chat in a relaxed environment, before engaging in group activities. Our focus was to combat lonliness, support welbeing and connect creates in Brighton. The event was a major success and we look forward to the next one, alonside lots of other community events in the area.

AN ENGAGING NIGHT FOR QUEER INDIVIDUALS TO MEET AND CONNECT

The social culminated in a Person Bingo game, where individuals had to find people who fit within categories that were listed on the sheet. For example, who was coming to our free taster session in November. After this we played team charades and ran a check out. This allowed us to get feedback from the social and the group to come together as a group to close the social in a positive and reflective way.
