CROSSROADS THEATRE CIC

Fundraiser Quiz

12TH AUGUST 2026

Our Fundraiser Quiz was a very successful event that brought people together and create a community. The quiz was structured into 3 interactice rounds, with space inbetween for people to talk and get to knoe each other. Each group was set up as a team, with snacks and drinks provided. At the end, we announced the winner and provided them with a beautifully currated hamper. To finish the evening, we had our raffle, which was a collection of donated prizes, which supported the fundraising elements to our evening.

CONNECTION, COMMUNITY AND COMPETITIVENESS

The event fell on the same day as the Lunar Exclipse, which allowed us to connect further as a group. We paused the event, to step outside and watch it collectively, before continuing. The event fostered a supportive and encouraging atmosphere, as well as friendly rivalry, as each group competed for the grand prize. It allowed us to network, combat lonliness and build a community within London.
